## EDUCATION

|  |                                  |
|--|----------------------------------|
| <b>Integral University</b><br>MCA      | 2024 – present<br>Lucknow, India |
| <b>Dr.RML Avadh University</b><br>B.Sc | 2015 – 2018<br>Pratapgarh, India |

## PROFESSIONAL EXPERIENCE

|  |  |
|--|--|
| <b>Takyon Networks Limited</b><br>Software Engineer<br>Tech Stack: HTML, CSS, Bootstrap, Javascript, .NET, C#, SQL   | May 2024 – present<br>Lucknow, India   |
| <b>Akiyam Solution Private Limited</b><br>Full Stack Developer<br>Tech Stack: HTML, CSS, Tailwind, Javascript, ReactJs, Node js, MongoDB, Express, Socket.io | Aug 2023 – May 2024<br>Vadodara, India |

## SKILLS

- HTML
- CSS
- Javascript
- React
- GitHub, Git.
- Tailwind CSS
- Socket.io
- Node js
- MongoDB
- Express js
- SQL
- C# (.NET)

## PROJECTS

### Attendance App 🔗

I developed a full-stack attendance application using the MERN (MongoDB, Express.js, React.js, Node.js) stack. The application allows users to log their daily attendance easily.

### Text Converter 🔗

I created a Text Converter page using ReactJS. Text Converter is a free character counter tool that provides instant character count & word count statistics for a text. Text Converter reports the number of words and characters.

## CERTIFICATES
